#### APPOINTMENT OF CONFEREES ON H.R. 4811, FOREIGN OPERATIONS, EXPORT FINANCING AND RELATED PROGRAMS APPROPRIATIONS ACT, 2001

Mr. CALLAHAN. Mr. Speaker, I ask unanimous consent to take from the Speaker's table the bill (H.R. 4811), making appropriations for foreign operations, export financing, and related programs for the fiscal year ending September 30, 2001, and for other purposes, with a Senate amendment thereto, disagree to the Senate amendment, and agree to the conference asked by the Senate.

The SPEAKER pro tempore. Is there objection to the request of the gentleman from Alabama?

There was no objection.

MOTION TO INSTRUCT OFFERED BY MS. PELOSI

Ms. PELOSI. Mr. Speaker, I offer a motion to instruct conferees.

The Clerk read as follows:

Ms. PELOSI moves that the managers on the part of the House at the Conference on the disagreeing votes of the two Houses on the bill H.R. 4811, making appropriations for Foreign Operations, Export Financing, and related programs for the year ending September 30, 2001 be instructed to insist on the highest possible funding level for Debt Restructuring, and on provisions authorizing a United States contribution to the Highly Indebted Poor Countries Trust Fund without unnecessary legislative restrictions.

The SPEAKER pro tempore. The gentlewoman from California (Ms. PELOSI) will be recognized for 30 minutes and the gentleman from Alabama (Mr. CALLAHAN) will be recognized for 30 minutes.

The Chair recognizes the gentlewoman from California (Ms. PELOSI).

Ms. PELOSI. Mr. Speaker, I yield myself such time as I may consume.

I offer this motion to emphasize that it is imperative that the conference agreement on the fiscal year 2001 Foreign Operations bill provide both the highest possible funding level for debt restructuring, and for the authorization for a United States contribution to the Highly Indebted Poor Countries Trust Fund, HIPC, without unnecessary legislative restrictions.

Just a few weeks ago, Mr. Speaker, this House had a passionate debate about debt relief and a historic vote in favor of funding this much-needed relief. As a result, the House bill now contains full funding for the amount requested in fiscal year 2001 for a U.S. contribution to the HIPC Trust Fund. However, the bill is still short of the full pending request for debt restructuring by some \$238 million. The Senate bill contains even less than the House bill.

In addition, both the House and Senate appropriations bills contain unnecessary legislative restrictions on U.S. participation in the HIPC Trust Fund, such as a moratorium on new lending and other eligibility restrictions. Just yesterday, the chairman of the Senate Committee on Foreign Relations, Senator HELMS, and the chairman of the Senate Committee on Banking, Senator GRAMM, sent a letter to Secretary Summers outlining 17 specific conditions for debt relief that must be met prior to U.S. participation in the Trust Fund. The conditions outlined in their letter would require the IMF to completely revamp their lending procedures, and would also eliminate 36 of the 41 of the countries currently eligible for debt relief.

The House sent a strong signal of support for debt relief earlier this year. If we are serious about providing real debt relief, it is essential that the conference agreement on the bill fully fund debt relief and authorize a U.S. contribution to the HIPC Trust Fund without unnecessary restrictions. My motion instructs conferees to insist on these items.

Mr. Speaker, I reserve the balance of my time.

Mr. CALLAHAN. Mr. Speaker, I yield myself such time as I may consume.

I think, Mr. Speaker, that the authorizing committee, the Committee on Banking and Financial Services, has some minor objections to a provision contained therein, but I do not have, and I think that we can certainly work with that committee to work out the differences and, therefore, I will accept the motion.

Mr. Speaker, I yield back the balance of my time.

Ms. PELOSI. Mr. Speaker, I yield 1 minute to the gentlewoman from California (Ms. WATERS), a leader on this issue from the authorizing committee.

Ms. WATERS. Mr. Speaker, I thank the gentlewoman for yielding me this
